

Press Release

For immediate release (Longmont, Colorado 11/04/2009): Sangat Precision Machining & Grinding Brings on Veteran Experience to Lead the Sales Department.

Sangat precision Machining & Grinding is pleased to announce the addition of Lou Primavera to the position of Sales Manager. Lou comes to Sangat Precision with over 20 years experience in sales and operations, primarily in the photonics industry. Lou has also worked in law enforcement and is an expert marksman. Lou's experience in the photonics industry and his experience in working with firearms will add significantly to the company's ability to serve its customers at the highest level possible.

For sales inquires please feel free to contact Lou directly at:

Office) 303-702-1544 Ext 105

Cell) 303-385-7447

Email) lprimaveri@sangatprecision.com

Sangat Precision is dedicated to being a world-class provider of precision manufacturing services, meeting stringent standards as adopted by the aerospace, photonics, defense and firearms industries.

Sangat Precision Machining & Grinding is a Longmont Colorado-based precision manufacturing company. Sangat Precision, an ISO 9000:2001 certified facility, provides precision machining and manufacturing services for aerospace, photonics, defense, science, medicine, and small-arms manufacturers. Sangat Precision has particular expertise in machining high tolerance parts from exotic and/or difficult to machine materials and in working with tight deadlines. Sangat Precision Machining & Grinding – *we make you look good, because we do it right the first time™*. For more information call 1.866-537-1139 or visit the Sangat Precision Web site at <http://www.sangatprecision.com>.
